**Subject:- Status Report regarding working of departmental committees
for prevention of sexual harassment of women at workplace**

My dear *Mr. Harjit Singh,*

I take this opportunity to bring to your notice that your department is the nodal department for ensuring the proper constitution of subject cited Committees, and also to ensure that such Committees do not exist only on paper but function effectively and meet regularly. To achieve this objective, your department has to collect full details of the composition of such committees, and the record of their deliberations along with details of any instances of sexual harassment that may have come to their notice.

Despite the matter having been discussed in earlier meetings of the Commission, the requisite details have not been made available to the Commission by the office of your department. I will appreciate if you could take personal interest in the matter and supply a status report in this regard to the Commission for consideration in its next meeting.

With regards

Yours sincerely,

d/c
