Dated 15 JAN 2008

**Subject:- Statistical data relating to crime against women.**

Dear *Dr. B.C. Gupta,*

While analyzing the statistical data relating to crime against women, it has been observed that the reports received from the office of ADGP(Crime), Punjab are confined only to reporting of cases registered under various sections of the statute. You would kindly appreciate that for an appropriate analysis of the matter, statistics pertaining to name, age, marital status, caste and address of the complainants as well as of the accused; process of investigation, leading to the presentation of the challan; details regarding conviction / acquittal of the accused, and the nature and quantum of punishment if any etc. are quite relevant. Accordingly, at the first instance, information pertaining to the period 1<sup>st</sup> April 2002 to 31<sup>st</sup> March, 2007 needs to be obtained through Director General of Police from Senior Superintendents of Police in 13 performas, having 11 columns each as per the enclosed draft.

I shall be grateful if you could kindly issue suitable instructions to all concerned to supply the required statistical data in the prescribed format for being placed before the Commission in its next meeting.

*With best regards*

Yours sincerely,

*Sarvesh Kaushal*  
(Sarvesh Kaushal)
